Pre-Buy Propane contract for 2024-25 Heating Season

Contract Price: \$1.75 (Cash/Check) \$1.85 (Credit / Debit Card) per gallon

We hope you will agree that the Pre-Buy propane contract represents an extraordinary value and a better way to buy propane. We have a limited amount of gas to purchase at this price. Hurry in and get your winter fuel savings today!

HERE'S HOW IT WORKS:

- **Minimum pre-buy quantity of 300 gallons.** This offer is non-transferable.
- All deliveries on or after **October 1, 2024**, must be applied to this contract; Last date pre-buy can be used is **March 31, 2025**, thereafter, any unused pre-buy money will be applied to your account as a cash credit.
- Tank must be filled at the time of deliveries.
- Gallons purchased in excess of pre-buy gallons will be billed at the prevailing market price.
- Sign up now before the invitation expires - we must have a **signed contract and payment** postmarked no later than **WEDNESDAY, AUGUST 28, 2024**.
- All outstanding balances on accounts must be paid in full to take advantage of this offer.
- Your pre-buy price is **fixed** whether market conditions go up or down.
- The Co-op will make every effort to fill all tanks with remaining pre-buy gallons left on contracts prior to the expiration date.
- **AFTER HOURS CALLS** (Propane Deliveries and/or Service) will be charged at the prevailing rate (\$250.00) plus the gas delivery and/or service fees beyond the first hour.
- **BUY OUT** - If Buyer would request to terminate this contract at any time before the expiration date, a Buy Out fee of 30% (53¢ / 56¢) per gallon would be due on the unused portion of the remaining contract.

Please read the pre-buy contract carefully before signing.

***Your delivery status will remain the same.**

Please mail or bring your signed contract with payment.
